memories

foreward

Melody, harmony, chords—the theme of our 1942 Kewanite is carried by the parts of the musical composition.

In spite of serious national conditions, it is our duty to keep up student morale. We must continue with school activities as well as we can. To fulfill this ambition, we shall try to give you a book with a lighter theme. We have selected for our theme a musical composition, made up of the melody, the harmony, and the chords.

The melody is carried by the classes and teachers who are the main characters in our song. Everything revolves around them, as the musical composition does around the melody.

The harmony is brought out by the activities in which we participate while we are in school. Cooperation and responsibility play a great part in our future lives, and it is important that we develop these traits while still in school. Our extra activities teach us the art of getting along with people. It is appropriate that we should call the activities the harmony because it is necessary to have harmony to succeed in anything of this nature where teamwork is important.

The chords carry the rythmn. They also suggest strength. This is naturally portrayed by our athletics. They insert spirit and a different note into our music, and without them, school would be rather dull.

Altogether we have the main parts of the musical composition and school swings along to an everchanging, progressive tune.

Administration Sets Key; Mr. Bruner Guides School

The administration sets the key by which our school life is run. MR. CHARLES BRUNER, our Superintendent of Schools, heads this department. Mr. Bruner, our superintendent for a number of years, has very capably guided the work of our Kewanee public school system. Being an intelligent leader and a specialist in public education, he has promoted high standards in our schools. He is an enthusiastic worker in national defense and urges the schools to cooperate with all organizations along this line.

Mr. Bruner received his M. A. from the University of Indiana. He has credit towards his Ph. D. degree at Chicago and Columbia.

Mr. Bruner's office staff is headed by Miss Adela Wesebaum, his secretary, who knows and works efficiently with every teacher in the system. Miss Laura Mae Lynn assisted her the first semester and Miss Elva Morrison the second.

Principal Heads Students; Understands Their Problems

The principal of Kewanee High School, MR. R. M. ROBINSON, has been outstanding in his leadership of high school people. Whether it is at assembly programs or personal conferences, Mr. Robinson has a friendly, gentlemanly way of associating with the students.

He has charge of all high school work and activities and advises the Student Council. His zeal here and in other extra-curricular activities is one of Kewanee High School's most valuable assets. Students appreciate his personal interest in them.

Mr. Robinson received his B. S. from Beloit college and his M. A. from Minnesota. He has done graduate work at Wisconsin and the College of the Pacific.

Our principal is ably assisted in the office by genial Miss Genevieve Saygh. Miss Saygh, secretary to Mr. Robinson and general secretary in the office, is the senior Tri-Y adviser.

Miss Genevieve Saygh, Mr. R. M. Robinson.

Our Board of Education Guides Progress, Growth, Development of Kewanee Schools

The growth, development, and progress of the Kewanee schools may be attributed to the interest, enthusiasm, and untiring efforts of our Board of Education. Seven citizens of our community give freely of their time to our educational interests.

Ever alert to the necessity of meeting the educational demands of a rapidly developing community and a faster developing world, each member of the Board of Education is to be commended for his efforts.

As president of the school board, Dr. L. L. Spanabel has served for the past two years. In years of service, Mr. E. F. Lindbeck is the veteran member of the board, having served thirteen years. Mr. F. H. Steele ranks second in years, having served seven. Six years of service gives Mr. Louis Mitton third ranking place on the board.

Rounding out his fifth year on the board is Mr. W. B. Russell. Mr. Fred Porter is entering his third year, and the newest member is Daniel Heinrich, completing his first year.

This group meets once a month with Mr. Charles Bruner, our superintendent of schools. Miss Adela Wesebaum is secretary for the board.

The Board of Education is an elective body functioning under the School Laws of the State of Illinois, and is charged with the conduct of the Kewanee Public Schools. This includes all phases of school business.

Miss Adela Wesebaum, Miss Laura Mae Lynn.

Teachers, Classes, Together, Set Melody; Curriculum Offers Students Varied Program

As the symphony has a varied and colorful tempo with well-planned beats and measures, so has the program of Kewanee High School. Character and personality may be developed through the diverse program which our school offers.

In the curriculum are the usual courses including mathematics, physical and social sciences, and languages. To make the program more interesting, we add practical and creative subjects including art, home economics, physical education, machine and trade courses. Many students take these subjects rather than academic ones, feeling that these train them for practical purposes after graduation for particular vocations.

The co-operation of teachers and students forms a bond between them. The classes form the basic theme of school life. Just as the faculty and the student body are the main part of school life, the melody is the foundation and basis of the composition.

English Department Encourages Appreciation; Teaches Mastery of Oral, Written Language

The English department teaches the essentials of our language. It enables the student to master the fundamentals of grammar, to express himself in oral and written exercises, and to appreciate good literature. Four years of English are required, although journalism or speech may be substituted for the fourth year.

MISS FRANCES HORLER is head of the English department. She teaches senior English, advises the senior class and the business staff of the Kewanite. MISS LILLIAN WAGNER, who teaches junior English and first and second year speech, has charge of all the dramatic productions of the school. She is Player's Club adviser. MISS LOUISE EWAN teaches junior English. She also teaches biology and advises the Nature Club.

Teaching freshman English is MISS RUTH KNAPP'S job. She is also the perennial freshman class adviser. MISS ELEANOR JOHNSON, our Kewanite adviser, is the freshman-sophomore English teacher.

As adviser of the "K" Chronicle, MR. JAMES BAXTER taught sophomore English, journalism. On the resignation of Mr. Baxter, at the beginning of the second semester, MISS FRANCES BURKE took over his complete duties.

Students Get Acquainted With Invaluable Culture

Through Latin and French the students are given a rich, cultural background which enables them to appreciate the classics and gain a greater and lasting value from these languages. They also study the derivation of words. Four years of Latin, with the third and fourth year alternating, and two years of French are offered.

MISS DOROTHY HARROD teaches all the Latin classes. She is the Dean of Women and the adviser of the Girls' Federation.

MISS ELSIE KIMMEL is the French instructor. She also teaches geometry and business arithmetic.

Library Provides Students With References, Pleasure

Our library is equipped with material for students to use for studies, vocations, and general academic work. It also has many interesting fiction and non-fiction books which provides extra reading for pleasure. Displays around the room throughout the year attract interest to new and coloful books. Excellent books containing material for reference work make it a good place to go to study.

MISS ELIZABETH EBRIGHT is our efficient librarian. She is an excellent violinist. Miss Ebright's personal interest in the students has made her popular and her willingness to help has aided the students.

Bottom row: Mr. Stevens' chemistry lab. Miss Fleming's science class.

Science, Mathematics Discussions Provide Methods of Solving Present Day Problems

Mathematics and science play a very important role in the life of every alert citizen. Mathematics teaches one to be exact and thorough. With the aid of these fields our modern life goes on. It is through them we build everything from our mothers' kitchen utensils to skyscrapers. Kewanee High School offers algebra, geometry, advanced mathematics, and business mathematics.

MISS HARRIET McCARTHY is our teacher of algebra, business arithmetic, and all the advanced mathematics. She is also junior class adviser.

No science student will regret taking of science. Especially in this era of so much national defense and with new scientific developments going ahead by leaps and bounds is it valuable.

General science is taught by MR. E. E. STEVENS and MR. DOYLE SISSON. Mr. Stevens also teaches physics and chemistry and advises the Kandid Kamera Klub. The preparatory course in science was taught by MISS MIRIAM FLEMING, until her death in February when her duties were taken over by Mr. Sisson. MR. STANLEY CHAPMAN teaches the biology classes. He assisted Coach Brockman during football season and advises the Tumbling Club.

History Gives Opportunity To Study World Conditions

The history department offers an opportunity for the students to study the government and history of the present in the light of the past. Three years of history are offered. Modern European, world history are offered to any who desire them, while every student must take United States history.

United States history is taught by MISS ERMA STEWART and MR. LEO GRAHAM. Miss Stewart teaches world history, too. Mr. Graham also teaches modern problems, economics and debate. He advises the debate club and coaches the debate team.

MR. LEE STABENOW teaches modern European history, and civics. He is also adviser of Hi-Y.

Music Department Offers Instrument, Voice Training

The music department offers an opportunity for self-expression. Glee clubs, chorus, and bands give students a chance to develop their special interests.

The Junior Girls' Glee club and the Boys' Glee club teach the students a greater appreciation for music. The A Capella Choir offers advanced study.

These courses were taught by MR. FRED WATERMAN the first semester until illness forced him to resign, and now MRS. MAYBELLE NOBLING instructs these classes. She also directs the Stephen Foster chorus.

The band is instructed by MR. ALDEN TRICKEY. Students may take band three or five days a week.

Arts Create Harmonies In Three Fields; Fine Arts Are Complement To Household Arts

The creative arts, which are taught by MISS DOROTHY GIBSON, are very popular in Kewanee High School. A well-balanced art course is offered to the students in both the drawing and craft departments.

Advanced students in the craft classes often become adept in creating their own personalized jewelry and novelties. They also learn to make pottery, and rug weaving is something new in the craft course.

The advanced drawing classes now enjoy the use of the new silk screen and the air brush. With these new pieces of apparatus they can now turn out advertisements for most of the student activities that have new appeal. These students often go on sketching trips in order to have training in actual painting. They are now engaged in painting a large scale mural in the art room.

Classes in home economics give girls training in the method of conducting a model home. Three years of different home economics classes are offered.

MISS ELIZABETH ALBRIGHT conducts the first year course of clothing. The fundamentals of clothing are taught and the girls also learn much about styles, colors, buying, textile study, personality, and grooming. Miss Albright is the adviser of the Home

ANNA WEIMER, B. E.; homemaking, gardening, foods. ELIZABETH ALBRIGHT, B. A.; reading, cooking, attending athletic games.

Below: Miss Albright's clothing class.

In the field of industrial arts, Kewanee High School has a well developed course. In addition to the regular courses of mechanical drawing, trades drawing, and building trades, the new machine course is offered. In these classes the boys learn how to operate electric saws, lathes, grinders and other modern machinery. This course was originated this year for the purpose of preparing the boys for jobs which will help our country's defense program progress more rapidly.

MR. PAUL McMORRIS teaches the boys in all classes in drawing. MR. GALEN LANDIS is the instructor of the class in building trades. MR. ELBERT PETERSON teaches the boys the fundamentals of woodworking. Mr. Landis is also assistant coach in our boys' athletics. Mr. Peterson is a valuable man for the coaching of Riveter football.

Commercial Courses Give General Business Training

The commercial course of Kewanee High School prepares the student for positions in offices as well as giving him a general introduction into business methods and procedures.

MR. W. J. STRONKS, head of the department, teaches bookkeeping, commercial law, and junior business training. He is also school treasurer. MISS EVA BERG teaches advanced typing and shorthand as well as commercial geography.

Teaching beginning shorthand and typing are MISS LOUISE MURPHY and MR. JOHN HICKEY. Miss Murphy also teaches personal typing and advises the junior Tri-Y. Mr. Hickey teaches junior business training and is an assistant in athletics.

Top to bottom: EVA BERG, B. E.; reading, listening to radio plays, golf. W. J. STRONKS, B. A.; summer cottages, hiking, light reading; LOUISE MURPHY, B. E.; typing, reading, movies. JOHN HICKEY, B. A.; hunting, fishing, golf, football. Miss Berg's typing class. Commercial geography class. Mr. Stronk's bookkeeping class.

Physical Education Strives To Coordinate Body, Mind

The physical education department strives to set a high standard of living, to provide opportunity for students to enjoy wholesome competition and stimulating exercise.

The girls' gym classes are taught by MISS DOROTHY KIRKPATRICK, who advises the G. A. A. These classes provide the students with sports and constructive exercises. The girls have been learning first-aid this year.

The boys' gym classes are instructed by MR. HELMUT BROCKMAN. The boys are given a chance to participate in seasonal sports and they learn the valuable lessons of good team work and fair play.

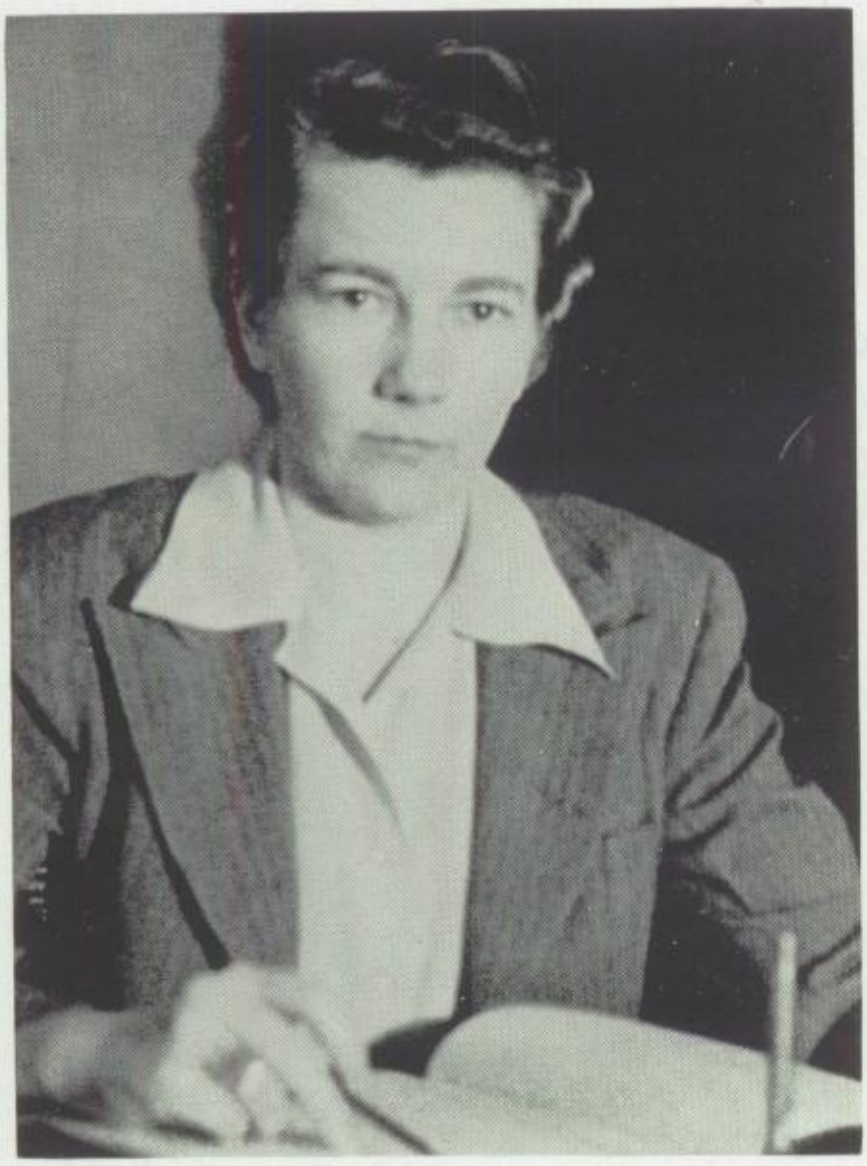
In Memoriam



The day is dying and its splendor
Leaves no time for sighs and sorrow.
With late larks singing in my heart I go
To waken on a brighter dawn tomorrow.

Miss Miriam Fleming, instructor in the Kewanee High School science department since 1929, was suddenly taken in death on February 15, 1942. Miss Fleming's friendship was cherished by students, by faculty members, and by the townspeople, who knew her gentle and gracious manner. For four consecutive years she was chosen as adviser to the class of 1941.

Miss Fleming received her B. S. degree from Carthage college and had done graduate work at the University of Illinois. In her death the students of Kewanee High school feel the loss of an understanding and inspirational teacher and a sympathetic friend.

CLASS OF '42

SENIOR OFFICERS
Standing: Angus Clark, Bill Krauser
Seated: Donna Moran, Miss Horler, Mary Russell

Seniors Glance Backward Over Four Years; History Reveals Class of Outstanding Ability

It is only natural, as seniors, for us to pause and glance back on our four years of high school.

In the fall of 1938, as a new group of freshmen, we entered Kewanee High school. Red and white were chosen as our colors. We were led throughout the year by Bill O'Connor, president; James Steele, vice-president; Carolyn Hill, secretary; Patricia Kirley, treasurer; and Miss Ruth Knapp, adviser.

The officers during our sophomore year included Robert Stiff, president; Phil Carroll, vice-president; Jean Johnson, secretary; Bud Duncan, treasurer; and Miss Elsie Kimmell, adviser.

Our junior year brought increased responsibilities. We entrusted our leadership to Phil Carroll, president; Bud Duncan, vice-president; Bette Bowman, secretary; Mary Russell, treasurer; and Miss Frances Horler, adviser. An over-capacity crowd enjoyed our class play, "What A Life," and the prom provided a fitting climax.

As seniors, we elected Bill Krauser, president; Angus Clark, vice-president; Donna Moran, secretary; and Mary Russell, treasurer. Again, Miss Frances Horler served as our adviser. Our accomplishments speak for themselves in the success of the Orpheum, the play, "Our Town," and the publication of this KEWANITE for 1942.

Juniors Recall Accomplishments Of Past; Planning Junior-Senior Prom Gives Thrill

The class of nineteen forty-three is very proud of its history for various reasons. We have outstanding athletes who have represented our class in every sport known in Kewanee High school, we contributed members to the debate team, and in dramatics we made possible the junior class play. To date, the thrill and greatest accomplishment of the class of "43" is staging the junior-senior prom.

Looking back at our record, our class can be more than proud of all the achievements we have accomplished. In our freshman year we chose John Carroll as president; Elin Peterson, vice-president; Mike Naseef, as secretary; Arlene Ripka, as treasurer; and Miss Ruth Knapp, as adviser. Blue and white were chosen as class colors.

As sophomores we selected Phil Miler as our class president; Bob White as vice-president; Mike Naseef as secretary; Katherine Jones, treasurer, and Mr. Lee Stabenow as adviser.

Mike Naseef served as president this year; John Boley was vice president; Paul Bystry, secretary; and Bernadine Kucukas, treasurer. We chose Miss Harriet McCarthy as our adviser. We now have one more school year in which to complete our outstanding record.

Sophomores Review Two Years In School; Boys Are Outstanding In All Fields of Sports

In the fall of 1940, two hundred students entered the worn steps of K. H. S. as green freshmen. As their class officers they chose Bob Fulton, president; Ed Tunnicliff, vice-president; Elwell Hamilton, secretary; June Pitts, treasurer; and Miss Garrah Rice, adviser. During their freshman year Ed Tunnicliff and Elwell Hamilton were major letter winners in football, and Bob Fulton and Ed Tunnicliff also made the Riveter basketball squad. Shirley Lee and Marguerite Stewart showed their laurels in G.A.A. Four freshmn were taken into Players Club, they were: Mary Madsn, Don Irwin, Bob Lee and Bill Johnson.

After an exciting summer they once more returned, this time as grown-up sophomores. This year they chose Mary Madsen, president; Ed Tunnicliff, vice-president; Don Irwin, secretary; Bill Johnson, treasurer, and Mr. Paul McMorris, adviser. Two sophomores received the honor of being on the varsity football team, they were Ed Tunnicliff and Bob Fulton. The very successful Riveter team was composed of Bjustrom, Robinson, Moe, Dyer, Lamb, Ziles, Nosalik, Johnson, Hanks, Sandoval, Lamb, Lloyd Dyer. Bob Fulton and Ed Tunnicliff were members of the varsity team.

This is a very brief history of the class of "44", but I'm sure that every sophomore had a swell time this year.

Freshmen Begin First Year At Kewanee High; Have Representatives In All Athletics, Clubs

On September 8, 1941, the class of 1945 entered Kewanee High school for the first time. A few days later we had a class meeting and officers for the year were elected. They were: Gene Behnke, president; Bob Williams, vice-president; Barbara Brand, secretary; and Bob Jones, treasurer.

Some members of the class were out for football. Robert Graves and Tom Briggs starred for the freshmen. Bill Jones was out for cross country and received a major "K". Just after football season the freshmen began practicing basketball. Bill Egert, Ralph Sjoberg, Tom Briggs, Bill Jones, Bob Hansen and Robert Graves did well in basketball.

In the inter-class track meet, although they placed last, the freshmen proved that they had the right spirit. Bill Jones and Ted Muroca were outstanding for the freshman class.

The freshmen have representatives in almost all the clubs in school. They are also represented in all sports.

Athletics Suggest Chords In Musical Composition

Sports are the chords of our musical composition. Chords signify something strong and definite, thus athletics give the heavier tones. They set the rythmn and tempo of our school activities.

The word athlete itself suggests in a person's mind, good timing, and rythmns of various kinds. We have no idea of the importance of athletics in our extra-curricular activities. Picture a school with no athletic activities, no good, clean, and spirited athletic contests.

One of the greatest things we can gain from athletics in high school is a basic knowledge of sportsmanship and the love of contest, fired with the spirit of youth to win. It gives us practice in being public spirited, a necessity in our democracy.

Kewanee High School has always encouraged many forms of team and individual sports. It has stood for the ideals of sportsmanship and fair play.

In the past the chords, or the sports, have set a fast, hard rythmn that has led to decided progress. We hope that the future classes of Kewanee High School will do the same.

COACHES OUTLINE STRATEGY. Chapman, Brockman, Peterson, Hickey.

Kewanee High's successful year of athletics is due to Coach Helmut F. Brockman and his assistants: Galen Landis, Elbert Peterson, John Hickey, and Stanley Chapman.

Coach Brockman, in his second year has proved his ability. Besides giving winning teams, "Brock" is personally popular with his players.

A veteran on the coaching staff is Galen Landis, an untiring individual who teaches the boys in their "greenest" stage, the fundamentals of the game.

Elbert Peterson coaches the Riveter football and the freshmen basktball teams. John Hickey and Stanley Chapman, in their first year at Kewanee High, have given valuable aid as assistants.

Green Boilermakers Grow Into Successful Squad

The Boilermakers started the season this year with only three really experienced men, Krumtinger, Krapausky, and Carroll. Handicapped as they were, the Boilermakers have succeeded this year. They developed from a green team to a clever and victorious one by the end of the season. The team delivered the goods with the aid of Coach H. F. Brockman's expert coaching.

Despite this inexperience, Kewanee High School looks back on a successful season of five victories, two defeats, and a tie. The not-too-heavy Boilermakers rolled up 142 points to 51 for the opposition, played colorful, wide-open and spirited ball, whipped Moline for the first time in twenty-six years, and East Moline for the first time in seven. With a blend of skilled coaching and well conditioned bodies, they succeeded far better than anyone expected.

Kewanee's gridders never had a more popular leader than skyscraping Jim Krumtinger. He was a fine captain and team man who turned in plenty of good days.

Jim Steele was one of the pleasant surprises of the season. His nine touch-downs placed him second in the Northwest Conference scoring column.

"Bobo" Krapausky, at tackle, was a highly popular player who rounded out four years of varsity competition.

Bud Nazer stepped into the huge gap left by Dick Terry at center, and played practically all season without relief.

A bad shoulder handicapped Bob Tunnicliff at halfback. A fine punter and pass receiver, he played a vital role in this season's success.

Bob Fulton, a sophomore fullback, did a great share of the tackling and blocking and made 13 out of 17 conversions. Ed Tunnicliffe piloted the team like a veteran. Watch these two sophomores!

Juniors invaluable to the success of the team this year and next include: Phil Miler, at end, broke up many an opposng play; Willie Lazar, a guard, was in on every play. These two comprise next year's co-captains. John Carroll, at guard, played a vital role in the line. Ted Skovronski, a guard, made up in fight what he lacked in weight. Don Skoglund, at tackle, was a hard working lineman. A capable and elusive halfback was Mike Quagliano.

Other Boilermakers whose regular attendance at practice was instrumental in the success of the team were: Don Carter, Nick Goodwin, Herb Dyer, Angus Clark, Bill O'Connor, Phil Carroll, Jack Radovich, "Bearskin" Bjornson, Lloyd Dyer, John Boley, Paul Bystry, Bob Lamb, Bob Terry, and Dick Krumtinger.

Boilermakers Win Five; Beat Moline First Time

Kewanee 12 Peoria Central 12

In their first game of the season the Kewanee Boilermakers gained a moral victory over the hard-fighting Peoria Central's eleven. The Orange and Black showed surprising defensive strength and plenty of passing ability in tying the bigger Central team. The Boilermakers led 12 to 0 at the half.

Kewanee 28 Princeton 0

Kewanee's speed and passing scored a decisive victory over the scrappy Princeton Tigers. The Boilermaker's victory was paced by Jim Steele and Bob Tunnicliff. Bob's pass interceptions and his 45 and 70-yard sprints would have disheartened any opposing team.

Kewanee 13 Moline 0

Traveling to Moline for the first Northwest Conference game, the Boilermakers were able to defeat the Maroons for the first time in 26 years. Throughout the game Kewanee displayed overwhelming assault, superior line play, and great speed. Heroes of the first touchdown were Bob Fulton and Jim Steele. In the third quarter, Ed Tunnicliff intercepted a pass on the Maroons' 15-yard line and sped for a touchdown.

Kewanee 0 **Rock Island 14**

Defeat at the hands of the Rock Islanders came to the Boilermakers for the first time in the season. The invaders, having a much heavier team, had a big advantage over us. Although we lost, our speed, passing and cleverness in the backfield met well with the driving power of the Rock Island eleven.

Kewanee 35 **Monmouth 0**

The Boilermaker's streamlined football team, rolling with a brilliant burst of steam in the early part of the game, scored twenty-seven points in the first two quarters and whipped the Zippers, 35-0 as a 1941 homecoming present to K. H. S.

It was a story of hard blocking and good timing by both linemen and secondary, a fleet corps of backs, taking advantage of every opportunity.

Kewanee 28 **Canton 6**

The Boilermakers showed once again that they have one of the speediest teams in Kewanee history. The first touchdown play came when Jimmy Steel skirted right end behind a wall of blockers and jaunted 78 yards to a touchdown. Steele clocked up two touchdowns, Ed Tunnicliff and "Bobo" Krapausky each scored one touchdown and the reliable Fulton made four straight kicks.

Kewanee 14 **East Moline 6**

Acting as hosts to the East Moline Hilltoppers, the Boilermakers handed the visitors a defeat for the first time in seven years. Nothing went right in the first half until Jim Steele ran 64 yards to a touchdown. Another touchdown by Steele and two kicks by Fulton put the game in the bag.

Kewanee 12 **Galesburg 13**

A big, bruising Galesburg eleven defeated Kewanee's Boilermakers on Lombard field in a curious football game won by the margin of a point after touchdown. Galesburg, with a veteran team of 10 seniors, simply had too much power and were in high form against the Orange and Black squad.

Although the Riveters did not have an exceptionally good season, having won three out of six games this year, they turned in several brilliant performances.

At the beginning of the year, the Riveters were just a green inexperienced ball club, but by the end of the season Coach Peterson had a hard hitting, hard fighting team. They are expected to furnish next year's varsity squad with some excellent material.

The starting lineup for the Riveters is as follows: Tom Hines, quarterback; Dick Green and Tom Stontz played at half; Dean Reiff, at center; Wayne Brand and Bob Felton at end; Gordon Johnson and Jimmy Esthelma at tackle; Larry Millman and Joe Mikenas at guard; Bob Graves, Joe Wiggins, Pete Waller, Eugene Beyer, Bernard Zumbers, Don Prusator, Bob Blazier and Kenneth Hanks played at various positions.

BASKETBALL COACHES.
Peterson, Brockman, Landis.

The Boilermakers this year were rewarded with their long dreamed of Northwest Conference Title. This is the first time in the history of the conference that Kewanee has copped the crown. Kewanee was named among the first ten teams of the state twice during the season. This was another accomplishment for the 1942 team.

During the 1941-42 basketball season Kewanee played 27 games and won 23. The Boilermakers rolled up 1120 points for the season, easily surpassing the previous record high for Kewanee, established by last year's team who scored 1010.

The Boilermakers walked away with the regional championship, not giving their game opponents a chance. Then, going to the Ottawa sectional they won their first game playing St. Paul's of Odell, a five-man team. In the semi-finals Kewanee lost to LaSalle-Peru.

Though this loss did take Kewanee out of the state tourney, it can't take away honors previously acquired. Kewanee retires with one of the state's best records.

Kewanee Quintet Clicks; Wins Nine Straight; Bring First Northwest Crown To School

Kewanee 33 Wheaton 27

A stubborn Wheaton five gave the hot and cold Boilermakers a grim struggle at Central Gym, rallying twice before finally succumbing to a last period attack, in the opening game of the 1941-42 season.

Kewanee 52 Morrison 14

With Jim Krumtinger leading the attack by 12 points, the Boilermakers easily walked away with the game. It wasn't until the second quarter that the team started clicking, but after that the game was just a formality.

Kewanee 29 Peoria Central 20

The Boilermakers showed a little too much speed, shooting, and ball handling for the Peoria Central quintet. Nevertheless they had to call on all their resources to quell a third period uprising before surging into a comfortable lead in the final period.

Kewanee 38 East Peoria 32

The will to win plus an ability to turn on the steam in the final period gave Kewanee a victory over East Peoria. Out-scored from the field and with its fast break offense chugging very uncertainly at times, only the 14 extra tallies saved the game for Kewanee.

Kewanee 29 Galesburg 25

Machine precision at the free throw line and the help of a nine-point first half lead kept Kewanee rolling along the unbeaten trail in their first conference game. This makes the fifth consecutive victory this year.

Kewanee 49 Monmouth 24

The Zippers rapidly crumbled before the power attack of the Boilermakers after keeping pace for the opening minutes of the game. There was just no stopping Kewanee. Their fast break, speed, passing and accuracy ripped the Monmouth defense to shreds.

Kewanee 42 Princeton 19

The Tigers fought valiantly, but in vain, against the slashing, versatile attack and fiery defense of Kewanee's unbeaten team. The Boilermakers took the lead at the start, were held for a while, then pulled away to dominate a rather rough game.

Kewanee 52 Boone (Iowa) 25

It took a first period scare to get Brock's boys going. But when they did, Boone's defense was helpless before the driving Kewanee attack that rolled up 47 points to Boone's 14 in the first three periods.

Kewanee 52 **Savanah 30**

Kewanee's blasting Boilermakers finished out the old year as one of the state's leading teams. The terrific tempo of the Boilermakers slashed aside another foe that didn't look so good only because Kewanee was so outstanding.

Kewanee 31 **Quincy 40**

Kewanee, after nine straight wins, suffered its first loss to the best ball club it had faced so far. The story is told in shots attempted: 61 shots for an 18% average, and Quincy receiving a 51% average out of 29 attempts.

Kewanee 34 **Rock Island 21**

Kewanee's squadron of basket bombers rained Northwestern Conference destruction on Rock Island for their tenth victory in 11 games, and their third straight in the Northwest Conference.

Kewanee 32 **Moline 31**

For the first time this year, the speedy Kewanee cagers were out-rebounded and outshot. Moline played the scrappiest ball that the Boilermakers have been called upon to face.

Kewanee 57 **Wethersfield 19**

"Blitzing"their cross-town rivals, the Boilermakers steamed in carefree fashion to their twelfth victory in 13 games. Kewanee simply had too much physical equipment for the Geese, who kept on to the end to hold down the score.

Kewanee 32 **E. Moline 25**

Kewanee took East Moline in a battle that was close and undecided until the closing minutes. The Hilltoppers didn't have quite the speed necessary.

Kewanee 53 **Galesburg 32**

For one period and a portion of the second, Galesburg rode high and had the Boilermakers underfoot. It took that long for the boys to get rolling. But when they did unhorse them, the Boilermakers struck with bewildering fury and gave Galesburg its worst trouncing of the year.

Kewanee 49 **Monmouth 41**

It was only Jack Radovich's 15 points that enabled the Boilermakers to eke out a 49-41 decision over Monmouth. The Boilermakers failed to show their usual spirit.

Kewanee 38 **Peoria Woodruff 40**

Due to the fatal first quarter slump, the Boilermakers lost the most exciting game of the season. The tail-end of a 15-2 count at the end of the first quarter, they finally turned on the steam by pouring in 24 points during the second. In the last minute of the game White dumped in the tying bucket, but Woodruff came back to score on a sleeper which spelled defeat for Kewanee.

Kewanee 50 **Wethersfield 20**

Jimmy Steele with 15 points led the Boilermakers to an easy victory over the Goose Islanders. After three quarters of undecisive playing, Kewanee won by a 30-point margin.

Kewanee 36 **Rock Island 26**

On Friday, the 13th, the Boilermakers again toppled a mighty Rock Island quintet for their eighth consecutive conference victory. After the first quarter the Kewanee lads established a lead which the Islanders never overcame.

Kewanee 30 **Moline 39**

Due to a 14% average and a crumbling defense Kewanee was toppled by a redhot Moline five. Even though Radovich dumped in 14 points, Kewanee never was within striking distance.

Kewanee 45 **Canton 37**

A classy Canton five paced the Kewanee boys for more than half of the ball game, but wilted before the Boilermaker offense. Radovich and Steele led the Boilermakers to victory with 13 points apiece.

Kewanee 32 **East Moline 25**

This game looked bad for Kewanee at the start, but the Boilermakers got a slight edge in the third quarter and kept it till the end of the game. Final score was 32-25.

REGIONAL TOURNEY

Kewanee 48 **Toulon 26**

The small Trojan team made the score considerably more respectable than expected, though trailing through the game, were swamped by the superior power of their opponents. The second five played half the game and did almost as well as the varsity.

Kewanee 54 **Galva 31**

Galva had its moment but in the end had to bow before Kewanee's superior manpower. Galva waged a terrific battle against Kewanee and it was only by a last minute "blitz" that the valiant Galva team scored.

Kewanee 47 **Geneseo 29**

The lashing Boilermaker attack pulled down anothr regional championship, leading by 12 points at the end of the first quarter and 19 at the half. The game Geneseo team never had a chance to cut into the lead that Kewanee had established.

SECTIONAL

Kewanee 52 **St. Paul 39**

Starting with a cold first quarter, the Boilermakers turned on the steam in the second, ending the half with a lead of 29-17. St. Paul threatened in both the third and fourth quarters, but Kewanee cut loose with some quick baskets to keep their lead.

Kewanee 28 **LaSalle-Peru 46**

In the semi-finals Kewanee lost to LaSalle-Peru.

Riveters Tie For Second in Northwest League; Freshmen Basketeers Win Four Out of Nine

As usual, this year's Riveter team was very successful in their games. More games were played than usual and the team won 16 of the 21 games played. This excellent record was due to the skillful coaching by Mr. Galen Landis, and the enthusiasm and hard work of the boys. One of the outstanding features was the scoring of 200 points in four hard games, making an average of 36% per game. This was the second year that they tied for first place in the N. W. C.

Of the boys that turned out for Riveter basketball, eleven finished the season. These were Bob Bjurstrom, Ed Tunnicliff, Billy Moe, Roger Robinson, Gene Ziles, Joe Noslik, Bob Lamb, Kenny Hanks, Gordon Johnson, Lloyd Dyer, Cornelius Sandoval.

To give freshmen a chance to develop skill in basketball, the freshmen played nine games this season, winning four of them.

They played home and out of town games with four schools. They won and lost from Ottawa and Wethersfield, lost two games to Rock Falls, won two from Princeville, and lost one to Monmouth.

Twelve boys won numerals. They were Bill Egert, Ralph Sjoberg, Bob Graves, Bill Jones, Bob Hansen, Tom Briggs, Ted Vlahos, Bernard Brady, Dick Hildreth, Eugene Behnke, Don Van Vooren, and Leo Kida.

Five Lettermen In Baseball; Team Receives New Uniforms

Although there were only five returning lettermen, Kewanee High's baseball team has done very well this year. During the twelve games of the season, Kewanee competed with Peoria Woodruff, Peoria Manual, Peoria Central, East Peoria, Galesburg, Davenport, Princeville, and Canton. In all of these games the boys have worked hard and established a name for themselves.

The boys who turned out for practice were Jack Radovich, John Stenwall, Joe Nosal, Tom Stontz, Billy Lazar, Ronnie Bengston, Jim Eshelman, Ernie Waggoner, Joe Gusman, Joe Sandoval, Bob Brand, John Carroll, Herb Dyer, Jim Battersby, Dean Felton, Dick Lee, Harold Stahl, Kenneth Russell, Don Van Vooren, Dick Turnbull, Ted Vlahos, Bill Lewis, and John Gulshen.

Through the cooperation of the City of Kewanee, the baseball team was permitted to play at Northeast park. New suits and equipment have been provided.

Tracksters Show Strength; Plan To Hold District Title

Winning the District and Illini track meets last spring increased interest in track this year. About thirty boys reported.

Bob Tunnicliff and Don Van Raemdonk were elected track captains. Bob ran the 440, low hurdles and pole vault, while Don was outstanding in the high jump.

In the dashes Jim Steele, Larry Stewart, Gene Ziles, and Ed Tunnicliff ran the 100; Dick Green, Mike Naseef, Don Behnke, Phil Miler, Mike Quagliano, Hugh DeMorest, Billy Jones, ran the mile and half mile. Don Carter ran the 440, and Bob Fulton, Jim Krumtinger, Kenny Fahlberg, Bill Kirby, Lloyd Dyer, and Larry Stewart, the hurdles.

Outstanding in field events were: Jim Krumtinger, Paul Bystry, Lloyd Dyer, and Pete Waller in the shot-put and discus; Ed Tunnicliff, Bob Fulton, Kenny Hanks, and Ted Mirocha in the pole vault; Roger Robinson, Tom Hines, Glenn Johnson, and Bill Moe in the high jump; Ed Tunnicliff and Gene Ziles in the broadjump.

Tumblers Entertain At Game; Cross Country Team Competes

Putting on acts at the basketball games was one of the activities of the Tumbling Club.

Members of this organization are: Dick Cornelious, Jean Cully, Marjorie Thurwanger, John Brady, Bob Burns, Betty Teece, Betty Parrish, Theresa Sabotta, Frances Bergren, Margaret Krumtinger, Marjorie Greenstreet, Betty Johnson, Mary Margaret Huber, Eileen Monceski, Dick Flostrom, Clarence Owens, and Dorothy Popejoy. Miss Dorothy Kirkpatrick and Mr. Stanly Chapman were the advisers.

Our cross country team was successful in many competitive meets. They placed third in Illini and Northwest Conference.

The members of the team were: Joe Gusman, Mike Naseef, Don Behnke, Hugh De Morest, Cornelius Sandoval, and Billy Jones. Expert coaching was given by Mr. Kenneth Middleton.

Golf Team Places Second; Tennis Is Newest Sport

Placing second, Kewanee competed in the Illini Golf Meet at Peoria last fall. Six fellows reported to qualify for the team. Because the team is strong, they hope to repeat the good record of last year.

Bill O'Connor, Bob Graham, Bob White, and Bob Terry have been on the team since they were freshmen.Ray Kirkhove and John Gruszeczka are newcomers on the team.

Mr. R. M. Robinson has coached the boys every year and has created a very good team.

The record made by our tennis team was due to the hard work of all the boys. In spite of a short training period, Kewanee did well in the Northwest Conference tennis meet. The boys who comprised the team were Jim Battersby, Ed Mitrani, Angus Clark, and Bill Krauser.

Girls Arouse Interest Through Intramurals; Play Volleyball, Basketball, Baseball, Tennis

Sports play an important part in the program of the Kewanee High school girls. An interesting intramural program has been set up for all girls. Sports give the girls new interests and add variety to their recreation.

High school sports are taught to help girls coordinate body and mind and develop a sports program that will be of value in their future leisure time.

Basketball was the outstanding sport in intramurals and many girls turned out for a spirited season. The girls entered an all-state telegraphic basket shooting contest and competed with schools from all over Illinois.

Last fall the girls enjoyed playing soccer until the weather forced them inside. Volleyball then was taken up and girls from all classes participated.

Other sports that are popular for after-school games are baseball and tennis. These intramural games are managed and scheduled by Joan Thurwanger. The manager for the after-school baseball games was Dorothy Stolarski. Jean Cully took care of the intramural volley ball and Marguerite Stewart managed the soccer games.

The annual play day was held this year in Geneseo. Junior and senior girls that are outstanding in sports are eligible to attend. Only ten girls may go and if there is a lack of upperclassmen, girls from the freshman and sophomore classes may attend.

Many Out For Spring Football

Girls Sponsor Ping Pong;

Because so much interest in ping pong was created by the G.A.A., a very successful tournament was held this spring. After having secured a space to play ping pong, the G.A.A. bought tables and paddles to equip the room properly.

The winner of the girls' singles was Doris Bergren; and the winner of the boys' singles was Ray Kirkhove. The winners of the boys' doubles were Bill Krauser and Jim Ratcliffe. This is the first year that a ping pong tourney was ever held in Kewanee High school.

Students Take Up Bowling;

Enter National Pin Tourney

Although bowling was not a high school sport, it was very popular among the students this year. Eight teams were organized.

The Kewanee High school bowling teams placed thirty-fifth in the National Bowling Tourney, in which 2,000 teams participated. The people who played on the high team were Ronnie Bengston, Ray Kirkhove, Bob Terry, Shirley Armour, and Doris Briggs.

During the three weeks lull which comes between the end of the basketball season and the beginning of the track season, spring football is played. Two inter-squad games were played. The two teams, named Harvard and Yale, were of approximately equal strength, making the games very interesting.

The purpose of spring football is to get the boys in shape for varsity games to be played next fall. About fifty-two boys, all underclassmen, turned out for practice.

Cheer Leaders Add Color, Life To Games; Managers Give Time To Care of Equipment

Adding color and life to the football and basketball games are the cheer leaders. They are faithful workers who are active at every game. Bernadine Machorosky and Patty Kirly, both senior girls, have been cheer leaders since their sophomore years. Bobby Lee and Bill Johnson, sophomores, have been at their posts two years. Marion "Bearskin" Bjornson joined the ranks during basketball season.

Managers are the unsung heroes of the athletic department. They must take care of all athletic equipment which is used during the year. Bernard Van de Rostyne was head manager for all sports. His chief assistant was Fred "Fritz" Kuster. Bill Moe assisted during football season and Fred Kuster took over during the basketball season.

Harmony Adds Spice, Pep To Otherwise Dull Melody

The melody is the important part of the piece, but without the harmony the melody would become monotonous and dull. Harmony adds variety, relieves the dreariness and gives spice and pep to an otherwise tedious schedule.

A well-rounded education is not completely gained through academic work. Extra-curricular projects give the students a chance to use acquired skills and talents, to gain poise and self-reliance, and to become self-confident.

Cooperation is as important in this phase of school life as in athletics, and leadership is an essential quality developed through work in clubs and organizations.

School Reopens With Bang; Seniors Entertain Freshies

"Da-dida Da-dida Da-Da-Da"

"Hey Daddy!"

"Hi yah Jack!"

"Find your homeroom yet?"

"Hi Cy, what's cookin'?"

As we wander down the hall dodging Freshmen hurrying to class and greet old pals with a lusty "Hi," we see that school has really begun. New clothes, girls exclaiming over a new dress; a cute pair of shoes, clean, colorful books—all these things point to the beginning of the school year.

"Boy, will you look at the social room!"

"Have you heard the Concerto?"

"It's sure grand to see all the kids again."

"I can't wait until the football season starts."

Excitement reigns! The pleasure of seeing the kids you haven't seen all summer, the near-dread which the thought of studies brings, the hustle-bustle and confusion of finding home rooms and class rooms and teachers is evident. A few minutes and we are swinging along in the rhythm of education.

SENIOR-FRESHMAN RECEPTION.
Gene Behnke, Bill Krauser.

All these things remind us of the first social event of the year, the Freshman-Senior Reception. The seniors gave the freshmen a very good welcome to their first year in high school by an entertaining program and dance, along with excellent refreshments.

Bil Goffrier and Bud Duncan were program chairmen. The refreshment committee was: Hilma Baughman, chairman, Mary Kay McGuire, Donna Moran, and Helen James.

Early in the fall Superintendent and Mrs. Bruner entertained the school board and teachers. A committee, headed by Miss Elfrieda Heideman, planned the program. New teachers were introduced and initiated. Refreshments were served from a daintily appointed table.

Girl's Federation Encourages Cooperation; Provides Hostesses, After School Dances

One of the first groups organized in the early fall is Girls' Federation.

The Girls' Federation is an organization whose membership includes every girl in the high school. The work of the organization is carried on through officers and a council composed of representatives from each of the four classes.

The purpose of the organization is to promote friendship and cooperation among all the girls, to encourage good citizenship, and to develop leadership.

During the year members of the federation act as hostesses to guests of the school, sponsor the Big Sister Movement, and help provide records, and scrapbooks for the social room. They also sponsor after-school social hours that are very popular with K. H. S. students.

The president of this year's council is Teresa Bruen. Betty Rule is the secretary, and Bette Bowman is the treasurer, and the council is composed of five girls from each of the four classes. The senior representatives are: Bette Portwood, Bernadine Machorosky, Jeanette Gustafson, Shirley Armour, and Jane Smith. Arlene Dennison, Joan Munson, Letha Skeeters, Joan Naseef and Crellin Hartman make up the representatives from the junior class. The sophomores send Beverly Jones, Bernadine Romanek, Alice Fisher, Ardis Schuneman, and Harriet Waller as their members. Last, but not least, are the freshman representatives: Verna Ellenwood, Willamae Kirman, Joan Vaughn, Barbara Brand, and Betty Bradley.

Miss Dorothy Harrod is the adviser of the federation and supervises the activities of the organization.

Tri-Y Is Reorganized; Membership Divided; Club Is Hostess For Older Girls' Meet

Tri-Y has gone through a reorganization this year. Due to the high membership, the girls agreed to divide the club into two separate organizations, each with its own officers, but still acting as one organization.

Dorothy Oliver was president of the senior club; Donna Larson, vice president; Shirley Dumbauld, secretary, and Patricia Dickason, treasurer. Miss Genevieve Saygh and Miss Ruth Moore were the advisers. In November Mrs. Hall took the place of Miss Moore, who left for another position.

Monthly meetings were held in an entirely new way. The group met the first Monday of every month. The second meeting was a joint meeting with the junior club.

Tri-Y had the privilege of taking charge of the Older Girls' Conference in the fall, on October 25. The conference was held at the "Y" Community building. The morning session opened at nine o'clock with a welcome given by Dorothy Oliver, Tri-Y president. The president of the conference, Hilma Baughman, and the secretary, Saranne Condon from Streator, were then inducted by Miss Saygh.

The morning session closed at eleven-thirty. The girls were then given a banquet at the Methodist church with music furnished by the Swing Stylists.

Hilma Baughman opened the afternoon session. The main speaker of the afternoon was Miss Margaret Hicky, principal of the Hicky Secretarial School of St. Louis. Her address was, "To Have and To Hold Your Job."

The closing ceremonial was given by girls from Braidwood. The traditional conference candle was extinguished and the 1941 Older Girls' Conference was formally closed.

Junior Tri-Y Is Prominent In First Year
Gives Impressive Farewell Party For Seniors

Starting its first year was the Junior Tri-Y which soon became prominent in Kewanee High School. Ada Mae Corwin was president of this club; Kay Jones was vice president; Virginia Wertheim, secretary; and Leola Ferrell, treasurer. Letha Skeeters acted as treasurer, second semester. The advisers were Miss Louise Murphy and Miss Moore and Mrs. Hall.

The monthly meetings were held the first Wednesday of the month, and the third meeting was held in a joint meeting. One of the first joint meetings was an early morning hike to the Boy Scout camp where a breakfast over the open fire was enjoyed.

Their Christmas project was a cooperative one with the senior group. It was a Christmas party for the colored children. Gifts and candy were given to the children by a jolly old Santa Claus.

The Junior Tri-Y girls became interested in a National Defense Project. They obtained infant shirts from the Red Cross organization and gave them out to the girls to complete.

Plans were made to take part in a first-aid class. A committee was chosen to investigate the Junior Red Cross organization and plans were made to join.

With a very impressive Tri-Y farewell party the juniors paid their last respects to the senior girls.

Homecoming Activities Present Lively Scene; Victory Gives Incentive For Merry Making

An outstanding event of the early school year was the Annual Homecoming Parade, and dance which was held on October 17. This year a new plan was introduced for taking care of the homecoming activities. A general committee was chosen from the senior class and student council. Two members of the general committee headed the sub-committees composed of students chosen from each class. The committee for the bonfire and torchlight parade included Dick Turnbull, Joan Berg, Ronny Bengston, Shirley Armour and Ralph Sjoberg. Bill O'Connor, Hilma Baughman, and Bill Krauser were the committee which planned the dance.

Homecoming activities started Thursday evening at seven-thirty with a huge bonfire and torchlight parade. Cheers were given and the clown band kept the students singing.

The next day, Friday, activities started early. Students could be seen running through the halls with excuses to be signed, and once in a while you could see masses of orange and black crepe paper walking down the hall. The black-top between the school buildings was covered with gayly decorated trucks, girls in pretty costumes, football players, and signs denouncing Monmouth. When it was about time for the parade, it started to rain and was still raining when the parade ended.

Hi-Y won the prize for the best float. They used the "V" for Victory theme with an effigy of Hitler representing Monmouth. Art Club was second with the theme, "Kewane Rides High." Joan Naseef was sitting on top of a car, wearing a hoop-skirted costume, the skirt of which covered the car. "Spinning the Same Old Yarn" was the theme that brought third place to the seniors.

Winning the game gave the students good reason for the cheering and merry-making at the Homecoming Dance in the gayly decorated Irving School Gym. Music was furnished by Jimmie Girkin's orchestra.

Kewanee High Band Introduces New Plan; Presents Spring Concert; Students Direct

The band made its first appearance at the football games. At this time the band, with a membership of sixty-two, also marched and made letter formations. Several out-of-town trips were made at which a good showing of Kewanee High School Band was given.

A new plan was introduced for the band members this year. A full-credit band course was offered. This gave helpful instruction on the different instruments and gave the members a better chance to spend the needed time on their music.

On February twenty-fifth, the high school band was given a banquet by the band-parents for their work throughout the year. Harold Backman, director of the University of Chicago Band, was the main speaker at this affair.

The fifth annual concert was held in the high school auditorium, March nineteenth. Students were given a chance to conduct the band, and solos by the members were included in the concert for the first time.

Bill Kirby was president of the band this year while Helen Spanabel was the secretary-treasurer. The librarians were Betty Carlson and Dorothea Gerhold. The property managers for the year were Fred Collar, Joe Gordon, and Bill Carlson.

Kewanee High school letters were given to the following senior members: Phyllis Wyand, John Bialobreski, Jim Eshelman, Gerald Ponstler, and Don Behnke.

The Tri-Counties' Music Festival held in Kewanee, May eleventh, ended another successful year of band led by Alden Trickey.

K Chronicle Gives Students Information; Change Staff Positions At End Of Semester

To interpret school activities for the student, parent and community, to promote school spirit, to inform and entertain, to promote worthwhile activities and be a constructive influence is the platform of Kewanee K Chronicle.

During the first semester, the Chronicle was edited by Patty Dickason, as editor-in-chief. Rosalie Larson was associate editor while Helen Brady was feature editor. Hazel Himes was sports editor with Phyllis Stone as business manager.

With the close of the second semester these editors stepped down from their positions to allow new editors to obtain the experience. Tom Kubelius became editor-in-chief; Doris Peterson, associate editor; Vivian King, feature editor; Al Hill and Don Johnson, co-editors of the sports page; and Mary Keller, business manager.

These people on the staff were chosen by the students in the journalism classes. Each person who is on the staff was selected with care so that each position would be filled with a person who had the knowledge and the experience of the job they were to fulfill.

The important job of literary and business adviser was ably carried out by Mr. James Baxter, journalism instructor. Mr. Baxter, at the close of the first semester, accepted anothr position and the vacancy was filled by Miss Frances Burke. Miss Burke capably assumed the duties of Mr. Baxter and carried the Kewanee K Chronicle through another successful school year.

Hi-Y Continues Usual Outstanding Activities; Club Is Host To Twenty-Eighth Conference

Hi-Y was organized early in the school year with James Ratcliffe as president, James Steele as vice-president, Warren Milnes as secretary, and Phil Miler as treasurer. The executive council for the year was composed of: chairman, James Ratcliffe, James Steele, Warren Milnes, Phil Miler, William Kirby, Ernest Waggoner and William Goffrier. Lee Stabenow and Milton Kurrle, advisers of the group, aided the leaders in maintaining this organization in its high standards.

The chief activity of the club during the first semester was being host to the Older Boys' Conference which met at the Y Community Building, November 27, 28, 29. The theme of this twenty-eighth annual conference was "Priorities for Youth." In the course of three days the topic was thoroughly d i s c u s s e d by well-known speakers. Banquets were given for the boys and on the last night a dance was given by the Hi-Y and Tri-Y clubs.

Minor activities for the first semester were the Hi-Y—Tri-Y Alumni Dance and the distribution of complimentary homecoming programs and basketball schedules.

Topics for consideration and completement in the second semester were: the affiliation with the National Hi-Y; the possible procurement of a Hi-Y room; the establishment of a chapter at Wethersfield; and the procurement of pictures for the Hi-Y's annual gift to the school.

The purpose of Hi-Y is to create, maintain and extend throughout the school and community, high standards of Christian character. The platform of the Hi-Y is: clean living, clean scholarship, clean speech and clean athletics.

Kandid Kamera Klub Teaches Fundamentals; Students Learn Foundation Of Photography

The chief purpose of Kandid Kamera Klub is to learn the basic foundations of photography with students meeting and exchanging their various ideas on the subject.

The club carried out various projects this year. They contributed pictures to the scrap book for England and to the Kewanite. They made a trip to the Star-Courier to learn how the pictures are printed. They maintained a bulletin board display which kept them busy obtaining displays.

The efficers were: president, James Battersby; vice-president, Joe Williams; secretary, Letha Skeeters; treasurer, Agatha Blodgett. These able officers were under the direction of Mr. E. E. Stevens.

At the different meetings this year entertaining programs were presented by various people outside the club. Several meetings were held in discovering the mystery surrounding the printing and developing of pictures. The Kandid Kamera Klub completed a successful year of work.

Juniors Present Play
Based on Chinese Custom

On November 14, the Junior Class Play was produced. The name of this production was "Relatives By Affection," written by Robert St. Clair.

The story begins when Shirley Evans writes a "literary masterpiece" of twenty words and wins a six months' trip to the Orient. While she was there, her life was saved by a young Chinese gentleman, Ho Wang. Ho Wang comes to America on a lecture tour.

The fun begins when Mrs. Evans, a typical midwestern housewife, literally turns her home into a Chinese museum. The Evans eat rice for months before their notable guests arrive. Everyone is learning the wise sayings of Confucius and Mrs. Evans has developed a pain in her shoulders from sleeping on a wooden block. Everyone sips tea and has learned the art of gracefully using a fan. This setting is immediately shattered when it is found that Ho Wang's family is very modern.

A few Chinese customs complicate the plot. For instance, one custom requires that a Chinaman who saves the life of a woman, must marry her; another, that the man is the head of the household. The endearing and hen-pecked husband finds this "old Chinese custom" very useful.

This play was under the direction of Miss Lillian Wagner.

The cast for the play was:

Art Organization Stimulates Interest In Arts; Sponsor Tea, Dance, Banquet, Social Hours

The main purpose of the Art Club is to create a keen friendship among all the members of the club. It is a club organized to stimulate more interest in the arts. To be a member of this club it is not necessary to have artistic ability or be a member of an art class.

The activities throughout the year included a large and complete social program. The faculty tea, the Christmas dance, and the Mother and Daughter Banquet were the highlights of the year.

The meetings were held every other Wednesday during the year. A wiener roast began the annual round of activities. Talks on interesting subjects related to art were given by outside speakers at the various meetings. At craft meetings, which were held about three times during the year, trinkets, favors, and other articles were made from yarn, paper, metal and other materials.

The leaders of this club during the year were: president, Carolyn Hill; vice-president, Hilma Baughman; secretary, Patty Kirley; treasurer, Rosalie Larson; program chairman, Jean Johnson. These leaders were assisted by Miss Gibson, the adviser.

The Art Club is one of the largest and oldest organizations in K. H. S. and one of the most beneficial and entertaining extra-curricular activity for girls.

Pallette And Brush Selects Honor Students As Members

The main projects throughout the year were sketching trips, arranging displays, drawing figures, and selling popcorn in the halls.

Meeting every other week, the club sought to become better acquainted with the various branches of art. Interesting to all were the pictures taken in Kodachrome, of sunsets and scenes around Kewanee.

To be eligible for the Pallette and Brush club, one must be a number of the advanced art classes. It is an honorary club and is composed of honor students. To hold membership in this club, one must keep an honor rating.

The officers of this club were: Bette Cochren, president; Leora Blaine, vice-president; Dorothea Gerhold, secretary; Charlotte Krook, treasurer.

Senior Class Presents Traditional Orpheum

Written, Directed, Portrayed by Students

One of the greatest productions written by students, directed by students and portrayed by students was the Senior Orpheum, "Caught In the Act."

The orpheum is an old tradition in Kewanee High school. The purpose is to give everyone in the senior class a chance to work or act in at least one senior activity. The proceeds of the production go toward the financing of the Kewanite.

"Caught in the Act" was a story centering around a common boarding house, which had as its occupants an uncommon and talented group of actors and actresses. An element of mystery and comedy was given when two escaped convicts found refuge in this mad house of stage people. All three acts were cleverly presented with expert dancing, instrumental, and vocal selections which were enhanced by dramatic lighting effects.

Two of the outstanding acts were presented by Don Lee, Bud Nazer, Shirley Armour, and a dancing chorus of boys and girls. Don and Bud's exhibit of Shakespeare's Romeo and Juliet scene gave a very different interpretation. In the second act, a beautiful dancing chorus was presented under blue lights to the famous tune, "A Pretty Girl Is Like A Melody."

The writing and general production staff was: Hilma Baughman, chairman; Jim DePauw, Jim Ratcliffe, Don Lee, Carolyn Hill, and Mary Kay McGuire. Miss Frances Horler and Mr. Lee Stabenow were supervisors of the production. Miss Dorothy Kirkpatrick directed the dances.

Nature Club Provides Education, Pleasure; Members See Brookfield Zoo, Field Museum

To arouse an interest in nature and outdoor life among the students of Kewanee High school, is the purpose of the Nature Club.

The Nature Club meets every two weeks on Tuesday. These meetings are held in various forms. There have been programs on stars, winter protection of animals, bird calls and other subjects pertaining to nature.

The members take field trips in the fall, winter, and spring. A trip was taken to Johnson's Greenhouse and methods of planting and caring for flowers were discussed. The main project of the club this year was to organize a chrysanthemum show and to make a rock garden.

Each year the club sponsors the trip to Brookfield Zoo and Field Museum in Chicago. Any person who takes Biology is permitted to take the trip to Chicago.

The officers for the year were: June Berg, president; Charlotte Krook, vice-president; Beverly Camp, secretary; Rita Engle, treasurer. Miss Ewan assisted the leaders during the year.

The Nature club is educational as well as being enjoyable.

Players Club Assisted By A Capella Choir; Present Play Written By Lillian Wagner

At Christmas time the A Capella Choir and the Players Club produced a very impressive play, "They Also Serve."

The scene proper, laid in the interior of a village home in central Europe, was made picturesque by the gay peasant costumes and unique lighting effects. The story centered about a legend that, "whenever a year shall pass in which an act of perfect love toward Christ is done by a villager, the Madonna appears before the altar at the midnight service and an angel choir sings."

The mother was played by Mary Kay McGuire, and the children played by Virginia Swain, Billy Flostrom and Billy Pierce, were making ready to take the little crippled sister, Marie, played by Virginia Wertheim, to the services on Christmas Eve.

The festivity is broken by a decision of the doctor, played by Tom Kubelius, that Marie must remain home. The Madonna appears to Marie in her loneliness. The child miraculously walks to her. When Marie gives as her Christmas sacrifice her only gift—the ability to walk—the angel choir sings.

The entire play was produced against a musical background furnished by the A Capella Choir under the direction of Fred Waterman. Especially impressive was the fifteenth century melody, "Alla Trinita," sung in Latin.

This play was sponsored by the Players Club. Its impressiveness and beauty resulted from excellence in direction on the part of Lillian Wagner and Fred Waterman.

A Capella Choir Selects Members On Basis Of Vocal Ability, Work Under Two Directors

Through the last few years A Cappella Choir has been called upon more and more for school plays and programs.

The members are selectd upon the basis of their singing ability, thus stressing the aim of the choir which is to sing good music well.

The officers for the choir were: president, Bill Goffrier; vice-president, Vashti McCormack; secretary and treasurer, Pat Kirley; librarians, Jean Johnson and Bernadine Kucukas. They were under the direction of Fred Waterman until loss of good health made it necessary for him to take a leave of absence. Mrs. Nobiling ably filled the open position.

Instead of the annual operetta the choir presented the first "Springtime Sing." This included the glee clubs, choir, and novelties such as the Stephen Foster chorus, sextet, and a group of boys.

In the fall, the choir presented programs to the P. T. A., Business and Professional Women's club and various other organizations throughout the city.

During the spring, the choir sang at the Easter sunrise service, gave a concert in Neponset Easter afternoon, gave a program for the hospital auxiliary, sang during Music Week, and gave a program for the Junior High assembly.

Student Council Gives First Pep Assembly; Representatives Make Up Governing Body

One of the most important organizations in the school is the governing body, Student Council. The purpose of this group is to discuss the problems that come up in every day school life, and to plan assemblies and entertainment for the student body.

Since there were no candidates nominated from the student body, the president, Bill O'Connor, was elected from the group on the council. The vice president was Bob Graham, the secretary was Beverly Jones, and the treasurer was Jean Trenery.

Student Council sponsored the first football pep meeting and started the activities of the year rolling. At this assembly Coach Brockman introduced the varsity squad and the assistant coach, Stanley Chapman, introduced the Riveters.

The next important duty of the Student Council was Homecoming. This year a new plan for the Homecoming was introduced. The Senior class and the Student Council worked hand in hand in this event. Chosen members from the council and the Senior class worked out the complete plans for Homecoming.

Student Council Completes Successful Year; Victory Dance Sponsored By Governing Body

The beginning of the second semester Don Behnke was elected president by popular vote. A new platform was introduced and plans were made to follow it. The officers for the second semester were: president, Don Behnke; vice president, Bob Swain; secretary, Beverley Jones; treasurer, Pat Kirley.

One of the main activities during the second semester was sponsoring a Galesburg assembly program. The Galesburg students were given their dinner and free passes to the Galesburg-Kewanee basketball game.

The student council talked over further plans of completing the furnishing of the social room by buying draperies and other necessary furniture.

A regular meeting of the student council was held at an assembly program. This was done to show the student body exactly what is done at the student council meetings and how the meetings are held.

The last main event that student council was connected with was the Victory Dance. This was in honor of the basketball team and the winning of the Northwest Conference Trophy. It was held in Central Gym and at the south end of the gym was a large basketball housing the orchestra. The dance was a great success.

Once again the student council has completed another year of successful work and the leaders of the class of forty-two are handing down their duties as leaders to the class of forty-three.

Combined Glee Clubs Give "Springtime Sing"; Sing For Clubs, Commencement Activities

A group of forty members made up the boys' and girls' glee clubs. This group was divided into three groups, Senior Girls Glee Club, Freshman Girls Glee Club, and the Boys Glee Club.

The officers for the senior group were: president, Mary Keller; vice president, Joan Rule; secretary and treasurer, Della Jewel; librarian, Sharlyne McFarland.

The freshmen officers were: president, Joan Vaughn; vice president, Lucille Zumber; secretary and treasurer, Connie Collins; librarian, Mary Philiponis.

The high point of varied activities was the presentation of the "Springtime Sing." This was presented by the combined music departments.

The Boys Glee Club appeared and gave several selections in the concert. They gave a preview on an assembly program.

A special group was selected from each glee club and this mixed group presented several classical numbers.

Their last work was an assembly program to the Junior High to give them a preview of the High School "Music Week."

Girls' Athletic Association Sponsors Carnival Dance

Seated: Cully, Kirman, Tierentyn, Thurwanger, Adams. Standing: Stolarski, Kirman, Lee, Stewart, Barry, Miss Kirkpatrick.

The Girls Athletic Association, a member of the state league, has completed another year of successful work.

Shirley Kirman was president of the group, while Marguerite Kendle was vice president. The secretary of the club was Madeline Tierentyn. Point chairman was Darlene Adams; intramural chairman, Barbara Kirman; and social chairman, Marjorie Kendle.

To maintain and create good sportsmanship throughout the school has been the purpose of this organization the past year. They have stimulated the interests in girls athletics and promoted the ideals of health.

An activity committee was selected at the beginning of the year to organize and help promote the various sports. They took charge of the sports played between the classes after school. The chairman for speedball was Jean Cully; for volleyball, Marguerite Stewart; and for basketball, Dorothy Stolarski.

The main social event of year was the carnival, which was held March 27. The music for dancing was furnished by Burnett's orchestra. The co-chairmen of this event were Shirley Lee and Jean Cully.

Debate Squad Brings High Honor To School; Win Freeport Sectional; Enter State Finals

The debate squad gave high honors to Kewanee High school this year by winning the Freeport Sectional and entering the state finals.

The question for this year was "Resolved: That every able bodied male citizen in the United States should be required to have one year of full time military training before attaining the rising draft age." Upholding the affirmative team are: Bill Kirby and June Berg, alternating as first affirmatives; and Tom Kubelius as second affirmative; Bill Krauser, the first negative, and Jim Ratcliffe, second negative, form the opposing team.

The squad won first at the Monmouth tournament, but had to forfeit the first round because of the bad roads which delayed the team. The team won the last six rounds, tying for first.

Some of the invitational meets were held at Galesburg, Mendota, a non-decision meet, and the tournament at Augustana College. They attended the Northwest Conference tournament held at East Moline. The debate squad won thirteen debates and lost seven.

Another successful year has been filed behind the name of Debate Squad, ably assisted by Mr. Leo Graham.

Debate Club Fosters Interest In Debate; Raise Money For Trips, Selling At Games

To discover and develop fluent speakers among the members of the high school student body and to keep debating activities alive in the school is the main purpose of the Debate Club.

To become a member of the club, one must participate in debates of varied topics. If anyone is in the debate class and is participating in debates, he automatically becomes a member of the club.

The Debate Club took part in various activities during the year. Their float for the annual homecoming parade was entered under the theme, "Kewanee 76, Monmouth 0." The float pictured the Spirit of '76. The drummer, flag bearer, and fife player added to the theme.

This year the Debate Club again took care of the selling of ice cream bars and cocoa-cola at the basketball and football games. The proceeds of this selling enabled the club to help send the debate squad on their various trips.

The officers for this year were: Tom Kubelius, president; Bob Wilkie, vice-president; Crellin Hartman, secretary; and Clarabelle Girsch, treasurer. The adviser and coach was Mr. Leo Graham.

Left, first row: Wertheim, Hill, Felton, Landwair, Swain, Miss Wagner. Second row: Russell, Trenery, Madsen, B. Lee, Flint, Machorosky. Third row: DePauw, Jones, Weaver, Irwin, McGuire, Berg, Sjoberg. Fourth row: Ratcliffe, Lee, Johnson, Clark, O'Connor, Fortier, Moran.

Players Club Is Outstanding; Present "Night Of One Acts"

Players Club, one of the most active clubs in Kewanee High school, adds to the activity throughout the school.

The Players Club's main project during the year is the annual production of the "Night of One Acts." This is especially enjoyed because of the variety of the plays presented. The program consisted of a comedy, a fantasy, a serious play, and an original play. All of the profits from this production are spent on stage equipment for the school. This year the Players club bought four spotlights, bringing the total number purchased by the club in the last three years up to seven.

During the year, skits and plays are given by members of the club to various organizations of Kewanee by their request. Many outside school hours are spent upon getting these plays ready for production.

The annual Christmas program was presented by the club. The play given was "They Also Serve," written by Miss Lillian Wagner, the adviser of the club. The club was aided by the music of the A Capella Choir.

Home Economics Students Organize Newest Activity

To arouse interest in home economics and bring school and home together, a Home Economics Club was organized this fall under the direction of Miss Elizabeth Albright and Miss Anna Weimer.

The girls sponsored a stunt night to raise money to send two girls to summer camp.

Shirley Lee has served as president of the club; Joan Thurwanger, as vice-president; Marcella Pudzevelis, as secretary; and June Pitts, as treasurer. Myra Hadsell has been program chairman.

Members of the club were Irene Asbell, Helen Bialobreszki, Jean Cully, Lois Dullaghan, Irene Ensley, Anna Erdman, Claribelle Girsch, Myra Hadsell, Mary Ann Henry, Rozella Kelly, Marie Le Croix, Shirley Lee, Gladys McCormack, Sharlyne McFarland, June Pitts, Marcella Pudzevelis, Neva Ripka, Dorothy Rotz, Dorothy Teece, Jo Ann Thurwanger, Eileen Wager, Phyllis Welch, Shirley Wilsey, Sheila Wyand, Irene Yarger, Virginia Zaluweski, Mary Jo Pyle, and Marjorie Orr.

Players Clubs Present "Night Of One Acts"; Give Four Plays, Including Two Originals

The third annual "Night of One Acts" was presented Tuesday, March 24, under the direction of Players club.

The first play was a fantasy, "The Lost Kiss," by Douglass, directed by Jean Landwair. The members of the cast were: Bernadine Machorosky, Don Lee, Billy Johnson, Carolyn Hill, Ralph Sjoberg, Jim Ratcliffe, June Berg, Bobby Lee, Mary Madsen.

"Intermezzo," a drama written by Virginia Wertheim, was the serious play on the program. The theme centered about the musical composition from which the play derives its name. The cast was composed of John DePauw, Virginia Wertheim, and Mary Russell.

The comedy, "Sugar and Spice," by Ryerson and Colins, was directed by Lois Larson. The play portrayed the pseudo-serious problems of adolescents. The members of the cast were: Jean Landwair, Don Irwin, Virginia Swain, Angus Clark, Joan Flint, Marilyn Jones, Billy Flostrom, Wanda Weaver, and John DePauw.

The concluding play, "That Men May Live," was a drama written by Miss Lillian R. Wagner. The play centered about the supreme sacrifice which a Norwegian youth is forced by the oppressor to make. The cast was composed of Mary Kay McGuire, Don Lee, Jim Ratcliffe, Phil Carroll, Donna Moran. Also on the cast were Barbara Anson, Jane Russell and Billy Pierce, who are students of the Central School.

Chosen by the judges for outstanding work in the production were Don Lee, June Berg, Virginia Wertheim, Virginia Swain, Joan Flint, Don Irwin, Bernadine Machorosky, Caroline Hill, Bobby Lee, Jane Russell, Billy Pierce, Barbara Anson.

Seniors Present Thornton Wilder's "Our Town"; Three Act Play Depicts Life Of Small Town

One of the best known stage plays is the play "Our Town," written by Thornton Wilder. The senior class ably produced, acted, and directed this production on May 6, adding another distinguished mark to their long list of activities.

"Our Town" depicts the life of a New Hampshire village with its humor, picturesqueness and pathos. The play begins in 1901. It is the story of the life in a small town. The marriages, deaths, and births are very important to its inhabitants. The story centers around the Gibbs' and the Webbs'. These neighbors have the same problems as we have. The son and daughter from each family marry and there is a great deal of celebration. Emily, who married George Gibbs, is taken in death. The most vitally moving scene in the modern drama is shown in the peace and quiet of death which can never be understood by the living.

This gigantic production was under the direction orf Miss Lillian Wagner with the assistance of Miss Frances Horler.

The members of the cast were: Stage manager, Jim Ratcliffe; Dr. Gibbs, Bill O'Connor; Joe Crowell, Milo Sturm; Howie Newsome, Ed Mitrani; Mrs. Gibbs, Bernadine Machorosky; Mrs. Webb, Mary Kay McGuire; Wally Webb, Bob Swain; Emily Webb, Donna Moran; Professor Williard, Wanda Weaver; Mr. Webb, Angus Clark; George Gibbs, Don Lee; Mrs. Soames, Betty Rule; woman in the balcony, Hilma Baughman; Simon Stimson, Phil Carroll; Si Crowell, Jerry Fortier; Mrs. Sam Craig, Mary Russell; Joe Stoddard, Tom Kubelius; Constable Warren, Al Hill.

Juniors Entertain At Prom
Setting Depicts Garden Scene

Walking down into the Central School Gym one entered an old fashoned garden filled with every flower that grows. At the west end of the gym was a small bordered white fence surrounded by green vines. To the east side, where the spectators sat, there was a screen of blue and white streamers and at both ends of the gym there were various scenes of flowers to offer a background for the splendid orchestra of Jack Manthe. The refreshment booths and cloak booths were at the north end. More beautiful flowers surrounded a bubbling fountain. The ceiling was lowered by the stretching of blue streamers across from side to side of the gym. The lighting was provided by a blue light and spotlights which gave the sky a midnight blue coloring. This wonderland garden setting gave couples good reason for enjoyment throughout the evening.

The general prom committee was: Miss Harriet McCarthy, adviser; Miss Dorothy Gibson, art adviser; Mike Naseef, prom chairman; Bernadine Kucukas, financial chairman. The orchestra committee was headed by Bob Terry and George Bennett headed the art staff and scenery committee.

The class of forty-three honored the class of forty-two and gave a Junior-Senior Prom that will always be remembered in the minds of the seniors; it was their last social event in Kewanee High school.

Literary Staff Expands, Changes Class Section; Art Staff Designs, Colors Division Pages

Toward the last of March Kewanite staff members were seen trudging faithfully up to the Kewanite room. Many people put in extra hours to meet the deadlines.

Work started in the fall of the year, with a staff chosen by a faculty committee. Phil Carroll, the editor of the 1942 Kewanite, slowly began growing gray worrying about the different staff members, whether or not the pictures would come in, and various other duties connected with this job. Phil became a permanent fixture of the Kewanite room.

Donna Larson, the literary editor, helped to lift the burden. She assumed duties of many people on her staff and the success of the literary department of the Kewanite is due to her. Bette Cochren handled the art department very capably. She planned the art work and saw that it was completed. Mary Russell, the business manager, who had the money worries of the staff, actually grew to hate the word money. She, too, helped out in many places. Bob Swain, Shirley Armour and Don Lee did numerous extra jobs. The literary staff was constantly kept at work by Miss Eleanor Johnson, the faculty adviser, who deserves more credit than given for her wonderful work.

Staff Makes Record Sale; Sell Five Hundred Copies

The Kewanite attempted to offer many new phases in their book. The class sections were enlarged; color was added to the book; individual pictures of each person in school was another feature. The people who ordered their Kewanite books the first week of campaigning received their name in gold upon the books. The class of 1942 broke all records in Kewanee High school in selling Kewanites.

The color on the division pages this year was done by the art staff, under Miss Dorothy Gibson and Bette Cochren's direction. They cut the stencils, mixed the paint, and did the color work on all the twenty division pages. This was done by means of the silk screen.

Miss Eleanor Johnson served as faculty adviser, Miss Dorothy Gibson as art adviser, and Miss Frances Horler gave her services to the financial department. These faculty advisers contributed much to the success of the 1942 Kewnite.
